WHAT’S IN IT FOR YOU?

The Management Internship Programme (MIP) provides undergraduates with a head start on a career in healthcare through experiential learning and leadership development.

Beyond department attachments, interns can look forward to a structured and enriching programme with valuable exposure to the healthcare landscape.

WHO ARE WE LOOKING FOR?

We accept undergraduate applicants from all disciplines who have an interest to build a career with us.

- A good CAP/GPA
- Keen to develop a career in the healthcare industry
- Exhibit excellent interpersonal, verbal and written communication skills
- Humility and insatiable hunger to learn
- Creative with a penchant for problem solving

PROGRAMME STRUCTURE

Department Attachment: Interns will get the opportunity to drive projects in their attached departments.

Learning Platforms: Interns will attend sharing sessions from invited speakers and hospital management.

Engagement Opportunities: Interns will be given the chance to network with hospital leaders, Management Executives & Management Associates.

Buddy Assignment: Interns will be assigned a buddy to guide them while in the MIP.

Career at TTSH

Graduates of this programme may be selected for the Management Associate Programme or engaged as executives in the administrative track to continue their career with us.

INTAKE TIMELINE

Undergraduates can choose between a 6-month industrial attachment programme or a 3-month vacation internship programme, depending on the intake. There are 3 intakes every year.
