**MATHEMATICS**

Date : 10 March 2018  
Time : 9:00 am – 9:45 am  
Venue : UT Auditorium 1 (B2)  
        Town Plaza Level 1

Time : 4:00 pm – 4:45 pm  
Venue : Seminar Rooms 1 - 4 (B3)  
        Town Plaza Level 2

**Studying Maths in NUS: A Door that Opens to Many Possibilities**

**Synopsis**

This talk will cover the real-world applications of mathematics, the career prospects of mathematics graduates and the vast number of pathways open to them. The talk will introduce the various programmes offered by the NUS Department of Mathematics. We will also feature the boutique Quantitative Finance programme.

**Speaker**

Prof Victor Tan

Prof Victor Tan received his B.Sc. (Hons) from NUS and Ph.D. from the University of California. His research interests are in Algebra and Number Theory. Prof Tan has received multiple faculty- and university-level awards for teaching excellence, including the Outstanding Educator Award, the highest recognition for teaching at NUS. He is also a Fellow of the NUS Teaching Academy. He is President of the Singapore Mathematical Society and has organised a wide range of mathematics activities for school teachers and students. He is currently Assistant Head (Teaching) at the Department of Mathematics.
