Important Information:

- All Study Plans (and changes) must be approved and endorsed by Department SEP Co-ordinators & Dean's Office.
- Prepare your study plan with the exact modules that you will take. You can also include up to 2 reserve modules.
- Use only the application forms that are available on the FoS SEP Website and follow the application procedures.
- Indicate clearly if you are considering or have applied for multiple Study Abroad Programs (eg. Summer Program, NOC).
- After the allocation and acceptance of a SEP place by the Faculty, withdrawal without valid reasons will carry a penalty. [eg. Acceptance of another Study Abroad Program is not a valid reason].
