Points to Note:
- Students are not allowed to map any module which has preclusions that prevent students from reading the module in NUS.
- All modules read have to be read on a graded basis, for modules read on a Pass/Fail basis you will not be able to transfer credits.
- Kindly ensure you have read and passed the pre-requisite to the NUS module you are mapping to, credits will not be transferred for NUS modules you do not have the pre-requisites for
