

## List of Available SEP Places in AY2026/2027 for FoS Students

**Application Round: 2**

**Application Deadline: Monday, 6 April 2026, 2359H (Singapore Time)**

The following list shows the partner universities (PUs) available for selection by FoS students for SEP in AY26/27 Semester 2. There is only 1 PU available in AY26/27 Semester 1. Please note that PUs not found in this list are not open to FoS students.

There are two different placements, U-wide and Fac-level. The key difference between these placements is that for some Fac-level places, students are restricted to take courses only from one or a few specific departments/faculties. Information on Fac-level PUs may be found in the 'Remarks' column, while information on U-wide PUs may be found at <https://www.nus.edu.sg/gro/global-programmes/student-exchange/partner-universities>.

While there are no major restrictions for most places, please ensure that the PU(s) you intend to apply for have sufficient courses for you to read. You are encouraged to be flexible in your study plan and take courses to map to both major requirements and unrestricted electives.

Please note that you are expected to conduct further research on the PUs before submitting your application.

### Important:

- Applications for Semester 1 SEP to all PUs other than The Hong Kong University of Science and Technology (Guangzhou) will be immediately rejected.

No.	Host	Country/Region	Partner University	Placement	Type	Major	Any Sem	Sem 2	Remarks
1	E0000001036	China	Peking University	U-wide	Semester	ALL		2	
									<p>NUS Semester 1 = HKUST(GZ) Fall Term (Sept – Dec)            NUS Semester 2 = HKUST(GZ) Spring Term (Jan – May)</p> <p>A full semester workload at HKUST(GZ) is 15 credits.</p> <p>For the academic year 2026-27, HKUST(GZ) offers undergraduate courses in the following subject areas:</p> <ul style="list-style-type: none"> <li>- Artificial Intelligence</li> <li>- Data Science and Big Data Technology</li> <li>- Smart Manufacturing</li> <li>- Materials Science and Engineering</li> </ul> <p><a href="https://ug-prog-crs.hkust-gz.edu.cn/#/introduce">https://ug-prog-crs.hkust-gz.edu.cn/#/introduce</a></p> <p>Course offering may vary from term to term.
